WHO ARE WE

We, **AL MUSAHABA**, a sister concern of **MOITTRY GROUP**; new F&B Marketing and Distribution company incorporated in Ajman, United Arab Emirates aiming to do Marketing, Trading and Distribution of Agro based Processed Food Products and Beverages in UAE market. MOITTRY started its Marketing and Distribution business by its sister concern **MOITTRY INFINITY SDN. BHD.**, a fastest growing Manufacturing, Marketing and Distribution company in Malaysia. Moittry is successfully operating since established in 2018 and has gained huge popularity among the people of Sub-continent living in Malaysia. Being inspired from the success in Malaysia, MOITTRY has decided profoundly expanding the operation in the Middle East by sharing the platform with **AL MUSAHABA** in UAE.

UAE being the hub of Middle East, AL MUSAHABA will conduct the operation, followed by the Experience, Expiates and Knowledge from **MOITTRY INFINITY** to reach the target community living in UAE and over time rest of the counties in Middle East. Currently, we are in the process of setting up Sales, Distributions and Warehousing facilities in Al Saja'a Industrial Oasis to reach the market of Dubai, Sharjah, Ajman & Umm Al-Quwain. A year ahead, hopefully we will be starting our operation in Abu Dhabi and Ras Al Khaimah.
